Minden Stages Successful Interclub On Weekend

On Sunday, March 11th the Minden Figure Skating Cub hosted the Kawartha Highlands Interclub Figure Skating Competitions, in the Haliburton arena and according to the six judges from Oshawa, Peterborough and Port Hope it was the smoothest run competition they have ever attended. This speaks well for June Beeney, Chairman of this event and her hard working executive.

It was a busy day from 8 a.m. till 9 p.m. as some 100 figure skaters performed both figures and free skating. The competition was keen, and all had a great time. The Lindsay Club won the team trophy, taking the highest number of points on the overall day.

For an interclub of this size some 35 people were involved, these included executive judges, accountants, typists and parents. Much work is done behind the scenes so that young skaters may have an opportunity to compete.

The first place skaters received trophies while the second place and third place skaters received Silver and Bronze Medals, respectively.

Winners of the various events were as follows:

Pre-preliminary Ladies - Anne Marie Vanlieshout, Haliburton, Penny Lee Bird, Haliburton, Lisa Coumbs Bobcaygeon.

Pre-preliminary Men - Larry Moher, Lakefield, Steve Junkin, Bobcaygeon, Rickey Beeney Minden.

Preliminary Ladies - Lori Montgomery - Lakefield, Lori Rutherford Lindsay, Angela Doughty Lakefield.

Pre Juvenile Ladies - Carolyn Shippel Lindsay, Vicki Hunter Lindsay, Pat McConkey Lindsay

Juvenile Ladies - Judy Zielke Lindsay, Patti Ann Johnson Bobcaygeon, Lynne Hickson Lindsay.

Juvenile Men - David Dickson Bobcaygeon, David Hollows Lindsay, Norman Mehnert Bobcaygeon.

Pre Novice Ladies - Mari Gill Lindsay, Kelly Greir Minden, Susan Boyce Lindsay.

Novice Ladies - Cheryl Hazleton Bobcaygeon, Lee Madill Bobcaygeon, Sherry Truax Lindsay.

Junior Ladies - Sandra Boyce Lindsay, Nancy Clarke Bobcaygeon, Cindy Barrett Lindsay.

Ladies Similar Bronze Pairs - Cindy Brown and Robynne Jokinen Bobcaygeon, Shelley Crate and Vicki Swartman Bobcaygeon.

Ladies Similar Silver Pairs - Jillian Clark and Cheryl Hazelton Bobcaygeon, Nancy Clarke and Lee Madill Bobcaygeon, Sherry Truax and Mari Gill Lindsay.

Mixed Bronze Pairs - Susan Boyce and David Hollows Lindsay, Kimberly Harrison and Ricki Jokinen Bobcaygeon, Patti Ann Johnson and David Dickson Bobcaygeon.

Preliminary Similar Dance - Carolyn Shippel and Vicki Swartman Lindsay, Catherine Rouble and Sharon Findlay Haliburton, Patricia McConkey and Cheryl Brown Lindsay.

Preliminary Mixed - Carolyn Brown and Michael Rutherford Lindsay.

Juvenile Ladies Similar Dance Marion Humphies and Linda Goard Lindsay, Suzanne Bennett and Sharon Lloyd Haliburton, Marilyn Hickson and Donna Gilham Lindsay.

Juvenile Mixed Dance - Kimberly Harrison and Ricki Jokinen Bobcaygeon, Patti Johnson and David Dickson Bobcaygeon, Susan Boyce and David Hollows Lindsay.

Novice Ladies Similar Dance Cheryl Hollows and Megan Gill Lindsay, Karen McCardle and Lori Beckford Bobcaygeon, Kelly Greir and Katie Leary Minden.

Once again we congratulate the Minden Figure Skating Club for staging such a successful event.

Pictured above are Percy Lymburner and Michael Iles receiving their trophies as winners of the Second Annual Kashagawigamog Snowmobile Rally held recently. Presenting the trophies are Dennis Casey and Bruce Henry, members of the Lake Kashagawigamog Tourist Association who sponsored the Rally. From left to right: Bruce Henry, Michael Iles, Dennis Casey, Percy Lymburner.

CUB NEWS

On February 23rd, many Cubs were presented with proficiency badges, they are as follows.

House Orderly - Danny and Joey Nicholson, Paul Northey.

Carpenters Badge - Blair Learmont, Stanley Brown.

Skaters Badge - Les Booth, Paul Northey, Shane Blakey, Joe Dollo, Mike Hatkoski.

Team Players Badge - Steve Wrightman.

On March 2nd Tim Wood was invested into the pack. Proficiency Badges presented were to Mike Hatkoski Carpenters and Collectors Badges. Joe Dollo, Toy Makers Badge. Tim and Wayne Beaver, Robert Heywood House Orderly Badges.

On March 9th Ronnie Yake was invested, making 32 Cubs to date invested. Also Mark and Danny Greir were welcomed as new cubs. Proficiency Badges presented were to Les Booth, Carpenters and Team Players, Scott Arbuthnot House Orderly, Stanley Brown Handymans, Blair Learmont Collectors.

The enthusiasm shown by the Cubs to do their best in these projects is something for all their parents to be proud.

FEBRUARY MEETING OF WOMEN'S INSTITUTE

February meeting of Minden Women's Institute was held in the auditorium Hyland Crest Home on Wednesday afternoon, February 21st. with 18 members and 10 ladies from the Home present.

Mrs. P. Clarke opened the meeting and warmly welcomed the ladies from the Home and thanking them for allowing the W.I. to visit with them. The Roll Call was answered by an exchange of recipes. Reports were given by the various com-

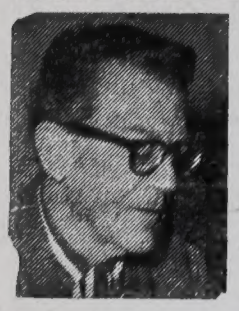
LISTINGS URGENTLY WANTED



THE MAIDENS' VIEWPOINT !

by

Norm Maidens

In Ecclesiastes 3 — 1-8 you will find:

"To everything there is a season, and a time to every purpose under the heaven:"

The part that applies to Fenwick Finch and myself is — "A time to get, and a time to lose; a time to keep, and a time to cast away."

Over the weekend Fenwick and I have given a lot of thought to the column and we've decided that for the next two weeks we'll take off to study the idea of whether to continue it or not. Ideas dry up and we feel maybe someone else should have a chance at this spot.

If any of the readers are interested or have any ideas about what they'd like to read, write in and let's know — this will have a bearing on the decision to hang in there or not.

So, until later, drive carefully. Your life is valuable and accidents take their toll, the cemeteries receive a great many people who think — "It can't happen to me!"

Michael Iles and Percy Lymburner, both of Haliburton, are shown displaying the trophies that they won at the Second Annual Kashagawigamog Snowmobile Rally held recently.

W.I. WOMEN MEET

(Continued from Page 1)

mittees and Mrs. D. Prentice reported sending 39 cards since the January meeting. Remember if you know anyone ill at home or in the Hospital be sure and let Mrs. Prentice know so that a cheery message may be sent them.

The Annual Bus Trip was discussed and it was decided to set May 30th for this. One of the places we'll visit is St. Lawrence Starch Co., where a food demonstration from their test kitchen will be a highlight. Other places mentioned were Dale Nurseries, Black Creek Pioneer Village but a leter from Dale Nurseries says they do not have tours so that is out. Several other items of interest having been mentioned, it was decided to leave planning the remainder of the trip until a later date. But, keep May 30th in mind for that is the date.

A paper on Family Life and Consumer Affairs prepared by the convenor Mrs. W. MacArthur was read by Mrs. Sears. This was very interesting and gave us much to think about when shopping for food or clothing.

It was suggested that the Secretary Mrs. Lyman Cox write the arena committee to say the Women's Institute would like to make a donation to the arena and suggesting that they would be prepared to donate a Canadian flag and picture of the Queen if the committee were in favour. All members voted in agreement of this. Mrs. P. Clarke, an accomplished pianist then favoured the gathering with three selections on the piano — Green Sleeves, selections from Sound of Music and Jesus Joy of Man's Desire. These were much appreciated by the ladies as the auditorium is ideal for this type of program and Mrs. Clarke was warmly thanked.

The meeting closed with "The Queen" and W.I. Grace after which a delicious lunch was served by the hostesses, Mrs. A. S. Kernohan, Mrs. V. Martin and Mrs. Allan Taylor.

The March meeting which will be held at the Home of Mrs. W. MacArthur on March 21st will have roll call of wear something green or pay 25c fine. A cordial invitation is extended to any ladies interested in attending.

YOUR RED CROSS SERVES YOU AND SERVES FOR YOU

TOWNSHIP OF SOMERVILLE COUNCIL HELD MEETING

The regular meeting of the Council for the Township of Somerville was held in the Municipal Office March 6, 1973 at 7:30 p.m. All members in attendance.

Moved by Carmon Wood, seconded by Doris Winchester that the minutes of the meeting of February be adopted as circulated. Carried.

A delegation from Bexley Council waited on Council re the signing of the by-law and agreement, Coboconk Memorial Arena Board.

Moved by Doris Winchester, seconded by Carmon Wood that the following members be appointed as representatives for the Coboconk Memorial Arena Board by the Council for the Township of Somerville, Jeoffery Brown, Joe Heffer, Arthur Bartlett and Peter Detemar. Carried.

A motion was passed by Bexley Township Council to appoint the following to the Coboconk Memorial Arena Board. Leo Hannivan, Carl Baldwin and Joe Smales.

A motion was passed that the Road Superintendent W. Rettie, attend the Anderson Road School in Guelph May 1973.

By-law 73-05 being a by-law to provide for the establishment of a Community Centre in the village of Coboconk. After three readings the By-law was passed and Carried.

Moved by Doris Winchester, seconded by Carmon Wood that the Township of Bexley and Somerville enter into an agreement for the purpose of setting forth the conditions under which the two Municipalities will participate in the matter of financial contribution and operation of the said arena, all in accordance with the provisions of the Community Centre Act. Carried.

A delegation from the Burnt River Recreation Centre Board waited on Council re forming a Community Centre Board under the Act.

Moved by Boyd Austin, seconded by Doris Winchester that we petition the Department of Transportation and communications for the balance of subsidy for 1972. Carried.

A motion was passed and carried that the Council approves of the proposed Road expenditure for the year 1973 re the Department of Transportation and Communications.

Moved by Carmon Wood, seconded by Doris Winchester that road voucher No. 2 be paid. Carried.

Moved by Doris Winchester, seconded by Carmon Wood that the general account in the amount of $1,053.65 be paid. Carried.

Next regular Council meeting April 3rd., 1973 at 8 p.m.

LEARNING ABOUT DEER TRAVEL

A. J. Stewart, Biologist

When, where and how far do deer travel? How important is an area to the deer herd? Where is a particular herd of deer at specific times of the year? What routes do deer travel when they move? What effect does the harvesting or removal of a particular stand of trees have, when deer from as far as thirty miles away may be dependent on that stand for winter cover? Answers to these and other questions are being sought and found by the deer management of the Ministry of Natural Resources.

One method of obtaining answers is the deer tagging program. Deer are live trapped, fitted with an identifying ear tag and released. Through hunting returns, investigations of animal predation, vehicle accidents involved tagged deer, etc., it is hoped that many of these ear tags will be recovered. With information from tagging records the direct line distances from initial tagging to final recovery site can be plotted on a map. Eventually, maps can be compiled outlining deer travel routes and areas important to a deer herd's survival can be pinpointed and protected.

The Lindsay District Fish and Wildlife staff have been carrying on extensive tagging programs for the last two winters. During the winter of 71 - 72 over 150 deer were tagged and released. So far this winter 110 deer have been captured, tagged and set free again.

Tagging programs are carried out in the winter months as the deer are usually hungry at this time of year and will more readily enter a trap that has been baited with fresh browse. Traps consist of a large wire cage with a trap door which closes when the deer hits a trip wire. A numbered metal tag is attached to one ear while the animal is still in the trap, then the door is opened and the deer released.
released.

The information obtained from these animals will be an important contribution to our overall knowledge of deer and their movement patterns in particular.

THE NATION'S BUSINESS

by William Scott M.P.

The Government's first budget passed through the House of Commons last week, with the help of the New Democratic Party, and the House is now considering the first piece of legislation to flow from that budget.

National Health and Welfare Minister Lalonde has tabled a Bill to raise the basic old age pension to 100 dollars per month, starting on April 1st of this year. Beginning on April 1st, 1974, the pension will be increased each year according to a formula to be worked out by the Department.

This increase will hopefully offset increases in the cost of living over the previous year, and ensure that the buying power of pensions will remain constant. Whether or not it will have the desired effect will not be known until we know what the formula will be, and until we have had some experience with its operation.

It is too easy to be critical of everything that the government does, and indeed, it is the responsibility of the opposition to question all government legislation and all government policies. For that reason I try to suggest alternatives whenever I criticize.

In an earlier column I have already taken the government to task over things I felt were left out of the budget that should have been included. These included the lack of measures to deal effectively with the problems of unemployment and inflation.

Now that we have specific legislation on one of the items in the budget, namely the raising of old age pensions, I must say that I am disappointed with the government's proposal, and I will suggest what I consider to be reasonable alternatives.

To begin with, while the increase in the basic pension to 100 dollars is an improvement, it is not enough. The yearly increase will also be an improvement, but the formula will not restore the loss of buying power for pensioners as a result of inflation over the past four or five years.

The Conservative opposition has suggested that increasing pensions to 110 dollars per month would have been more reasonable and equitable, providing there was also an escalation formula to offset the effects of future inflation.

During my election campaign I proposed that the eligibility age for drawing old age security should be lowered to age 60, and the response I received from all over the Riding convinced me that people generally approved of my proposal.

By lowering the age to 60, several beneficial effects would result. First of all, people who have given forty years of their lives to the work force would be able to retire while still young enough to enjoy a few years of leisure. However, retirement at 60 would not be mandatory but would be optional for those who want to continue to work.

Secondly, jobs would be opened up at the other end of the line, jobs that would have long-term, career opportunities for young people. Present Government programs, such as opportunities for youth, L.I.P., and so on, are stop-gap, short-term jobs that have no real meaning to career-minded youth.

There are many people today who have begun to feel the effects of a life of toil, but are still too young to retire without serious loss of retirement benefits. Some of those people should be retired. Continuing to work means that many of them will have their lives unnecessar-

GAME OF THE WEEK — with Cliff Burke

KINGS TRAIL JUVENILE PLAY-OFF SERIES AFTER WEEKEND ACTION - WARKWORTH

The Minden Kings lost and tied over the weekend, to trail their best seven juvenile play-off series with Warkworth five points to three.

In Minden on Friday evening, the Kings spotted the visitors a 2 - 0 lead and then fought back to tie the game 2 - 2.

Dale Clark opened the scoring in the first period at 14:19 to put the visitors up 1 - 0. They extended their lead to 2 - 0 at 1:25 of the second on a beautiful individual effort by Larry Greenly. The goal was his sixth in three games.

Doug Ray, playing perhaps the best two-way game of his young career, scored at 19:58 of the second period assisted by John Welch. Then at 16:55 of the third, Wayne Harrison brought the crowd of over 500 to their feet, when he scored the tying goal right off a face-off in the Warkworth end. Wayne then almost won the game for Minden in the ten minute overtime, when he rang a blistering slap-shop off the right post.

John Welch broke his wrist in this game in the second period but he continued to play the remainder of the game. However, he was unable to play in the fourth game at Colborne on Saturday evening. The Kings were down for this contest and were beaten 10 - 2. The refereeing was of the very lowest caliber as well, which didn't help matters. With the score 3 - 1 for Warkworth the Kings scored a goal which was disallowed by the referee. This was the call that turned the game around for Warkworth. The fifth game is also to be played in Warkworth on Tuesday evening and I have a feeling the Kings are going to come home with a win and a tie series going into their home ice advantage on Friday evening. John Welch will be back in the line-up taking a regular shift with a cast on his arm. If this doesn't lift the Kings nothing will.

Coach Neil Burk would like to thank Mervin Barry for donating his bus so that as many fans as possible could make the games in Colborne. All the fans say thanks Mervin!

SPORTS CORNER

with CLIFF BURKE

MINOR HOCKEY: On Saturday afternoon in the new Community Centre, the Minden Bantams hosted a team from Sutton. The Minden boys managed a 3 - 3 tie with the visitors, on a late third period goal by Scott Gartshore. Barry Shaw and Shayne McKelvey scored the other Minden goals.

On the other half of the double bill on Saturday, the Minden Novice dropped a close 2 - 1 score with the Sutton Novice. Mark Greir picked up the only score.

In Little NHL play-off action last week, Minden Novice ousted Coboconk from further action, with an easy 6 - 2 victory. Ronnie Yake and Harold Porter each scored twice, while Brent Moxan and Rickey Beeney picked up singles. Minden then went on to eliminate Kinmount on Sunday 5 - 0 in a sudden death game. Mark Greir led the Minden attack with the hat trick while singles went to Ted Brandon and Rickey Beeney. Bailey Hamilton registered his third shut-out of the season.

The Minden Pee Wee A team took part in the annual Bobcaygeon Pee Wee Tournament over the weekend and were defeated 5 - 4 by Lakefield in the Consolation final.

In the first game, Minden dropped a 5 - 3 decision to Fenelon Falls. Tom Gough, Dave Brown and Paul McKenzie notched goals for Minden. In their second game, Minden faired much better, whitewashing Oakwood 4 - 0. Dave Brown was the big shooter in this game getting three goals, while Brian Shaw picked up a single. The consolation final was a heartbreaker to the Minden boys, as they played well enough to win but just didn't have lady luck on their side. Brian Shaw had a pair of goals with singles going to Paul McKenzie and Dave Brown

The Minden Pee Wee B team came up with their first victory of the season over Haliburton on Sunday evening, when they edged the hometowners 3 - 2. Stu Russell, Steve Crow and Kirk Bull scored the Minden goals.

An important date to mark on your calenders, is Sunday, March 18th, at 8:00 p.m. On this occasion the Minden Ladies will tangle with the Rotarians. Lets all get out on Sunday and support the Ladies in their very first official game as a team.

BOWLING: Modern Electric extended their first place margin to three points on Wednesday evening in the Men's Commercial Bowling league, with an easy 5 - 2 victory over cellar-dwelling Miles Roadrunners. Third place Rockcliffe Beer Nuts edged second place Haliburton Highballers 4 - 3 and Ingoldsby blanked Cox's Cots 7 - 0.

The top five averages in the league to date find Ron Robinson Jr. leading with 243, followed by Eddie Cox 231, Neil Burk 230, Brad McKnight 226 and Bob Austin 225.

High single belongs to Brad with 371 and Ron owns the great high triple of 971.

BROOMBALL: In broomball action on Monday evening at the Community Centre, the Minden Hylanders defeated previously unbeaten Minden OPP 4 - 0. Paul Warburton led the Hylander attack with two big goals while Bob Sisson and Kim Colliss each netted singles.

The next games for the Hylanders will be Thursday evening at 9:00 p.m. against the Horseshoe Lakers and then Monday at 8:30 p.m. with the Red and White Telstars as their opposition.

SALARIES OF COLLEGE GRADS COMPARED WITH UNIVERSITY

Starting salaries of three-year College of Applied Arts and Technology graduates compare favorably with those of three-year University grads, according to an Ottawa survey of 66 Canadian companies.

Sir Sandford Fleming College placement officer L. E. Triplett said a survey by the Pay Research Bureau of the Public Service Staff Relations Board showed the anticipated rate of pay for 1973 College technical graduates was $606 per month, while the rate for University pass arts graduates was $600.

The top average among University graduates was $747 for mining engineers.

The survey showed the 66 employers sampled required 2,900 University and 1,500 College graduates.

Mr. Triplett cautioned that the figures would not reflect the total demand for College graduates, since the survey did not include a major segment of College programs in the general and applied arts field.

Among College students, business administration graduates were in highest demand, with 23 of the 66 companies indicating they needed a total of 848 two and three-year people.

Over 95 per cent of Sir Sandford's 1972 graduates found employment, and Mr. Triplett said starting salaries generally followed national averages.

ABOUT THE TOWN

with Jeanne Sears

Saw something amusing just recently, Fenwick, that's right, out with another woman, and in a different car too.

— — — —

Congratulations are in order to Mrs. Wm. Stone, mother of Milly LaBarge, who is celebrating her 89th birthday on Friday March 16th.

— — — —

We wonder why the packagers of food can not use more plastic bags. There is a good deal of food items arriving in cardboard and flashy-coloured tins; we know colourful wrappings attract us but with garbage disposal a large factor why so much expense in the container. Food items would be cheaper if we didn't have to pay for the container.

— — — —

Sincere sympathy to the families and friends of the late Hattie Stamp, Wesley Dawson and Fred Johnson whose funerals were since last week.

— — — —

We hope the fishermen have their huts off the ice, what's left that is. Understand there are holes in the ice making this treacherous.

— — — —

Mr. and Mrs. Garth Horsley and family are leaving this week for a visit with relatives in Saskatchewan. The Basil Cox's of Bicroft are also leaving for a holiday at Las Vages.

— — — —

Have you tried the frozen bread or buns which you may now buy? If you leave it out to rise in the pans over night, it is ready to bake in the morning and much cheaper and really tasty too.

— — — —

Next week is School Holiday with many people taking time for a holiday in various places, but not really nice weather for being outside.

— — — —

At the weekly Mini Card Party held at St. Paul's Parish Hall last Thursday afternoon winners were for cribbage Dora Dawson and Isobel Bingham; for euchre Lydia Coulter and lone hands Phil Robinson.

— — — —

Mr. and Mrs. Bill Prentice and girls left on Saturday for a holiday with the Morgan Prentices in Florida.

— — — —

Mrs. Duncan Prentice leaves on Wednesday for several days at Ross Memorial Hospital, Lindsay and all her friends wish her well.

— — — —

We may live today for its joys of self
For the whims of one small heart.
But we need not think to find happiness
When the closing hours depart.
We may live today for another's joy
Though weary when it is done,
We shall see the gold of contentment
In the rays of the setting sun.

Mrs. H. H. Galloway.

— — — —

Mild and rainy weather has been with us the past week, taking much of our snow, and a thunderstorm Sunday night. What next?

Cheerio until next week.

DIMES AND DIMES AND NICKELS AND DIMES

REFILLABLE BOTTLES ARE NOW WORTH MORE

10c DEPOSIT ON 26 OZ. TO 30 OZ. BOTTLES

5c DEPOSIT ON 6 OZ. TO 10 OZ. BOTTLES

Effective immediately, all refillable soft drink bottles of 10 oz. or less are worth 5c each, and family size bottles of 26 oz. and over are increased to 10c each. The price of the beverage has not increased, only the deposit.

Why? Two good reasons. First we can use those good refillable bottles again and again - thereby helping us to continue supplying our products at the lowest possible prices.

Secondly our company wants to do its part in helping to preserve the natural beauty of Central Ontario. We wish to encourage you to make a really positive contribution to our environment by returning all refillable soft drink bottles for full refundable deposit.

DO NOT ABANDON OR DISCARD THEM —

THE NATIONS BUSINESS

(Continued from Page 4)

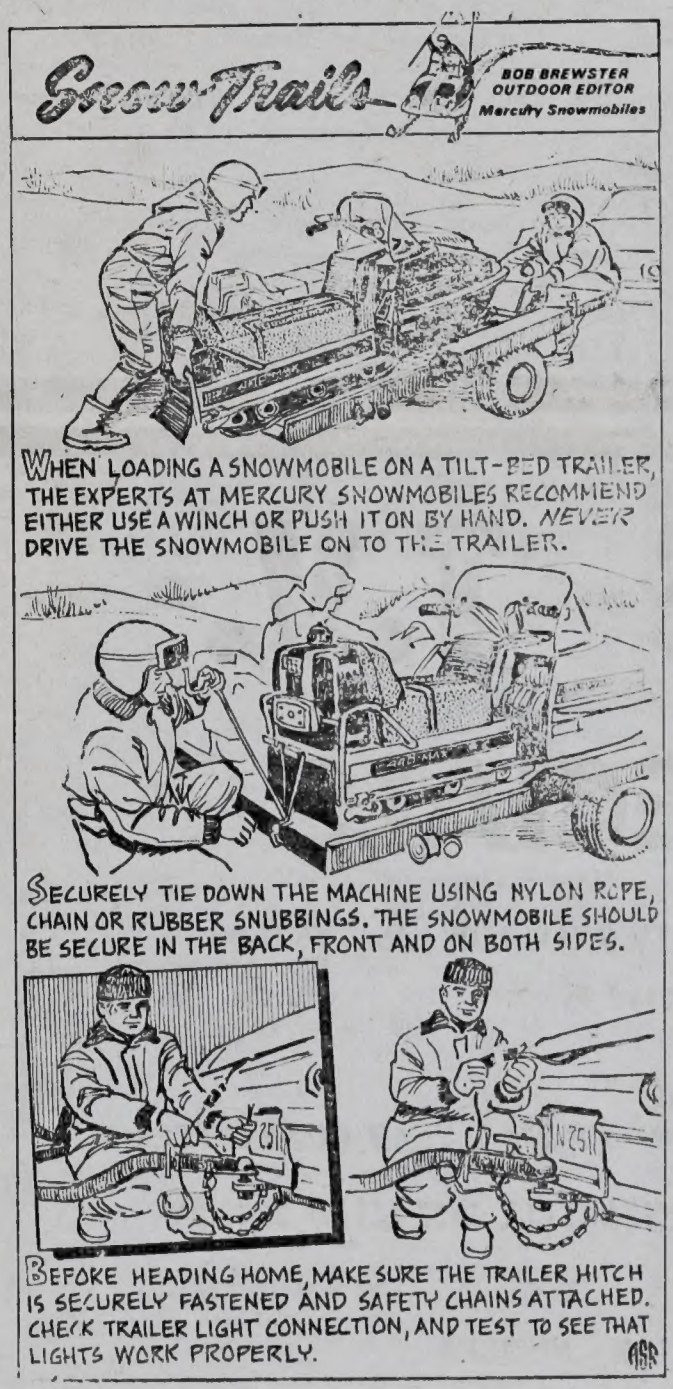
ily shortened, and in any case, they will be too ill or disabled to enjoy retirement when it becomes available to them.

We have reached a point in the development of our government and our society where old age security is an accepted responsibility of government. We have made a start, and we have learned a lot about the business of old age security in the past few years that we did not know before.

It is time now to accept the fact that we have been dealing so far with tokenism. We have been dealing with the problems as though our responsibility is only to ensure that elderly people can just survive. We must now move forward into a new era in social security, where our thoughts cover a much broader concept than the mere survival of our elderly and retired citizens.

It is not enough just to ensure that people survive. Today there are too many people who look forward to retirement with fear and apprehension. This should not be so. People who devote most of their lives to the work force should be able to look forward to retirement as a time of fulfillment, a time of pleasure and relaxation and a time when they can retain their dignity.

Everyone must look forward to old age, and until someone comes up with a formula for heading it off, it is a fact of life. It is time for us to work seriously towards the task of taking the fear out of the prospect of retirement. It has been with us for far too long.



LETTER TO THE EDITOR

Minden, Ontario
March 12, 1973

Dear Sir:

I would appreciate you publishing this letter dealing with a report of faulty operation of a school bus. I have heard reports that a school bus carrying students was driven thru a stop sign endangering the students, and traffic on the main thoroughfare.

It was suggested to me twice that the bus involved was one of mine.

Therefore I wish to clarify that the bus in question was "not" one of mine nor was it in any way connected with Dave Stamp Bus Lines.

Again my appreciation for the publishing of this important fact so that the public may be properly informed.

Yours truly,
Dave Stamp

LETTER TO THE EDITOR

March 10, 1973

Mr. Alan Greir, Editor

Heart Month in Canada is now over, and on behalf of the Canadian Heart Fund, Ontario Division, please accept our sincerest appreciation for your co-operation and assistance during our financial campaign in February.

Our objective this year was $1,300,000, and although all returns are not in, we are quite hopeful that our objective will be attained — even surpassed.

Without your willing co-operation in communicating our needs to the public, the Canadian Heart Fund would not be able to express such an outlook.

Heart disease is everyone's problem — and again our thanks for helping us bring to the attention of the public that — research should be everyone's responsibility.

With best wishes.

Yours very truly,
Esther M. Richards,
Director of Public Relations.
Canadian Heart Fund
